

AAHSA Group Purchasing & Shared Services 2006 Enrollment Agreement

Enrollment in the AAHSA Group Purchasing Program entitles the member to access all pricing and benefits offered by the vendors in their contracts with AAHSA. For new enrollees, enrollment begins on the date this form is signed and continues until termination of the member's AAHSA membership or member's withdrawal from this program. In order to assure that the participating AAHSA Vendors correctly price your orders and credit your AAHSA account, **please identify yourself as an AAHSA group purchasing program member when placing all orders.** As a direct result of your purchases from the program's vendors, AAHSA will receive an administrative fee of up to three percent (3%) directly from the vendors. These fees help support this program.
